I have 5 days to get him those reports of my Assets. which is impossible for me to get them. Because Fidelity is withholding that information from me and their saying they don't have the records but they already admitted that I'm participating in some type of Employee Benefit plans. Here's a letter that they sent to me on Feb 8, I believe I wasn't suppose to get this letter cause back then I didn't request anything from them. Til after they sent me that letter. Mr. Frank I understand that you are a Neutral Arbitrator on this issue. I'm just asking for fairness these officials Mr. Pershaw and Company is committing fraud. And I'm not going away from this. Wrong is wrong and certainly they are in violation. When people do wrong someone has to make it right. So I'm asking that you do that because you have the power to do so. I also got other evidence that Fidelity is lying. The right thing

To do is send a writ to S.C.T. DALLAS

Both parties to argue this issue
enclosing I want to thank you
